the penalty when we are honest, and it can help us develop our knowledge and intellect.

For example, if you were to do something mischievous without your teacher's knowledge and then take responsibility for it in an honest and respectful way, your teacher might be more understanding and provide a lighter punishment. Conversely, if you persistently deny any wrongdoing, not only will the entire class be punished (including you), but your penalty will be more severe when the truth is eventually revealed.

An advantage of learning from our mistakes is that it can assist in our brain's

This feature is AWESOME for finding repeated, boring, or unnecessary words.
